

Topics in Psychological Astrology – Spring and Summer 2017

Judith Robert, Ph.D. and Carol Lloyd will present stand-alone classes on special topics in Psychological Astrology. Each meeting will be a presentation on a new topic with chart examples. Participants will have an opportunity to apply the principle taught to their chart. A basic understanding of astrology chart required (meaning of planets, houses, signs). Classes will be held on the 4th Wednesday of the month at Sacred Waters from 7-9 pm. \$15 per class.

March 22 – Venus Retrograde with Judith Robert

This class will discuss the meaning of Venus Retrogrades and how the March and April 2017 Retrograde of Venus affects your chart. Included will be an explanation of the 8 year Venus Cycle and how the Venus return to this place in your chart brings a repetition of life issues.

April 26 – President Donald Trump's Chart with Judith Robert

The class will discuss President Trump's chart and how it interacts with the USA chart, emphasizing certain issues for the next four years. The discussion will include a brief look at hotspots around the world for the USA based upon Trump's relocation chart.

May 24– Find the Talent in a Chart with Carol Lloyd

Looking for career direction and the right job for you, friends or family? Learn how to read planetary strengths and weaknesses in a chart to discover talents.

June 28 – Planning Your Dream Vacation or Retirement Location with Carol Lloyd

Do you have thoughts of traveling to a faraway place for a once-in-a-lifetime dream vacation? Is there a location away from home that has retirement appeal? Learn how to construct and read a relocation chart. For class discussion, choose the place where you are yearning to travel and find out how changing your latitude may change your attitude.

July 26 – Mercury Retrograde with Judith Robert

Mercury Retrograde can disrupt all forms of communication from computer and cell phones to travel. This class will explain Mercury Retrograde, the retrograde period in August, and how to know when a particular Mercury Retrograde will be more problematic in your life.

August 23 – The August Solar and Lunar Eclipse with Judith Robert

This class will discuss the August Solar and Lunar eclipses. The August 21st Solar Eclipse has been called the Great USA Eclipse because its shadow falls across the United States. The class will discuss the meaning of this eclipse as a nation and the significance in our personal charts.

Please RSVP for each class by email to respective teacher: Judith at Judith1739@comcast.net or Carol at CarolFLloyd@yahoo.com. Student charts are usually used as example during the class, so if you would like to share your chart during the class please send your birth data (date, time and place of birth) to the respective teacher at least three days before class.

Biographies:

Judith Robert received her diploma from Liz Greene's Centre for Psychological Astrology in London, in 2011, her Ph.D. in Counseling Psychology from Northwestern University in Evanston in 1984 and her diploma from the Jung Institute in Chicago in 1995.
