

## Topics in Astrology – Spring-Summer 2021

Judith Robert, Ph.D. and Carol Lloyd will present stand-alone classes on special topics in Psychological Astrology. Each meeting will be a presentation on a new topic with class chart examples. Classes will be held on the 4<sup>th</sup> Wednesday of the month at Sacred Waters from 7-9 pm. Suggested donation, \$20 per class. Class size will be limited to 10 participants. We will social distance, chairs 6' apart and require masks.

A basic understanding of astrology is required (meaning of planets, houses, signs). Participants will have an opportunity to apply the principle taught to class charts. If you would like to share your chart during the class please send your birth data (date, time and place of birth) to the respective teacher at least two days before class. If you would like a copy of your chart with the class topic highlighted but prefer not to discuss chart in class, please indicate this preference. (If the teacher has your birth data from previous classes you do not need to resend.)

### **March 24, 2021 – “Saturn Square Uranus: 2021 ‘The Year of the Contrarian’” with Judith Robert**

Ray Merriman has called 2021 “The Year of the Contrarian” as Saturn squares Uranus from January through December. The god of authority, limitation and denial is in conflict with the progressive god of innovation who steals the divine fire to bring about change. Are we ready for the unexpected winds of change? Review the meanings of these gods and where these transits fall in your chart this year. RSVP to [JudithARobert@gmail.com](mailto:JudithARobert@gmail.com) If you are new to the class please provide your date, time and place of birth.

### **April 28, 2021 – “Your Mars/Neptune Cycle: Fighting Infectious Agents” with Judith Robert**

Mars the “Berserker” rushes headlong into battle. Fighting foreign soldiers and standing up to invaders. But the God of Oceans, Neptune, breaks down barriers, defenses and washes over land. Reviewing our Mars/Neptune Cycle enables us to see times when our fighting spirit can break down; times when we feel weak, lack stamina and may be prone to infectious diseases. It is also time for reverie, contemplation, active imagination and artistic expression. Get a copy of your Mars/Neptune Cycle for 2020-2022. Review the past year and learn to pay attention to

how you express this energy in your life. RSVP to [JudithARobert@gmail.com](mailto:JudithARobert@gmail.com) If you are new to the class please provide your date, time and place of birth.

Also, review your diary and find one date (month and year) of time you recall having to spend time on the couch or in bed fighting a nasty flu; or excited about time spent in creative work.
